Advanced Business Management

On October 8 students in Advanced Business Management, BPA Officers will team up with the Leadership class and FFA Officers and participate in a ROPES Team Building and Leadership challenge course at Camp Yale in Winchester. Permission slips and details will be coming up with your student later this week.

Information Communication Technology

Classes just finished up Chapter 6 of Word 2013 and will be starting the last chapter and activities for Microsoft Word 2013. They will finish the unit with capstone activities and projects. Later in the year they will have an opportunity to become MOS Certified in MS Word 2013 along with Excel, PowerPoint and Access.

Computer Illustrations and Graphics

Students have been exploring and learning about all aspects of Adobe Photoshop. Asked them to crop a picture and insert it into a new picture or even correct imperfections in photographs.

They will be completing the final chapter in Photoshop and starting projects to reinforce what they have learned.

Accounting

We have finished T accounts and have started Journalizing transactions. Students have found that journalizing is a little bit more writing, but a little less confusing. Next up, posting and a Mini Practice Set!

Personal Finance

Students are learning how to live in today's world without going into debt. Ask them how to buy a car without a car payments and why leasing is not the way to go.
